Modern country living at its finest

The Denver was created for modern country living to suit a corner or acreage allotment. This home boasts an impressive entry and an open plan area with a centrally located kitchen, dining and family room, perfect for entertaining. Its flexible footprint will suit families that want to live together. Space, the final frontier. Let the Denver take you there.

Features

- Freedom inclusions
- 4 bedroom single storey home
- 2 floor plans to choose from
- 5 facades to choose from

Photographs on this web page may depict fixtures, finishes & features not supplied by Metricon such as landscaping and swimming pools. Accordingly any prices on our website don't include the supply of any of those items. Also, where our homes come in different floor plan sizes then the facades shown are generally based on the largest floor plan for that home, hence the façade may not be an accurate representation of all floorplan sizes. Accordingly the facades are a representation only and may include upgrades. For detailed home pricing and façade information, please speak to a New Home Advisor.
